

Conference / Workshop
Project: LEONARDO DA VINCI

Proj. Ref.: LLP-LDV-TOI-2012-RO 024

**Implementation of International Guidelines for Welded
Structural Designer Training**

03th of October 2014, Timișoara, România

AGENDA

Venue:

nH Timisoara Hotel, 1/a Pestalozzi str.
Timișoara, România

Friday, 03th of October 2014

09:00 Registration of the participants;

09:30 Conference opening

- Welcome of participants - Alin Murariu, General Director of ISIM Timișoara;
- Short presentation of the project activities and results - Implementation of International Guidelines for Welded Structural Designer Training (IWSD) - **Alin Sîrbu**, Project manager;

10:00 Poster Session - Implementation of International Guidelines for Welded Structural Designer Training (IWSD) - **Alin Sîrbu**

11:00 Coffee break

11:15 Poster Session - Implementation of International Guidelines for Welded Structural Designer Training (IWSD) - **Alin Sîrbu**

13:00 Lunch break

14:00 Implementation of International Guidelines for Welded Structural Designer Training (IWSD) - **Alin Sîrbu**

- Design aspects of welded bridges. The first welded bridge of Romania (**Anamaria Feier**);
- Failure modes and methods of calculation of tubular joints profiles according to EN1993-1-8 (**Dorin RADU**);
- Strength of materials (**Marius Cocard**);
- Thermal treatments for metallic materials (**Monica Dobra**);
- Considerations concerning the development of welded joints by using high-strength reinforcing steels (**Elena Binchiciu**);
- Industrial structures made by welded steel plates (**Mircea Georgescu**);
- Design of welded Structures (**Valentin Bîrdeanu**).

17:00 Discussion

17:30 End of the meeting

Location:

nH Timisoara Hotel, 1/a Pestalozzi str.
Timișoara, România
